Cooking master class in Bowral

By Josh Bartlett

ARE you an aspiring young cook? Cookability will host a series of classes these school holidays for young Highlanders.

The Cooking School will begin on April 11 and continue until April 21 at Cookability.

Lessons will cover a range of meals, from creamy chicken pie through to brownies, Mexican cuisine and cakes.

Highlights of the program will

include Mother's Day special on April 13.

Participants will learn how make a home-made breakfast cereal, French toast with maple syrup and meringue kisses.

The classes are open for children of all ages.

It has been a busy couple of months leading into the school holidays for Cookability.

Owner Alex Capel recently launched a new branch of Cookability called

Bread, Wrap and Roll.

The branch is a lunch and dinner delivery service on Tuesdays to people in Bowral and Moss Vale.

Ms Capel said Bread, Wrap and Roll had morning tea, lunch, afternoon tea and dinner options.

"We target people who find it hard to get out of the office," she said.

Cookability is located at 15-17 Kirkham Road, Bowral.
